LINE RECIPE

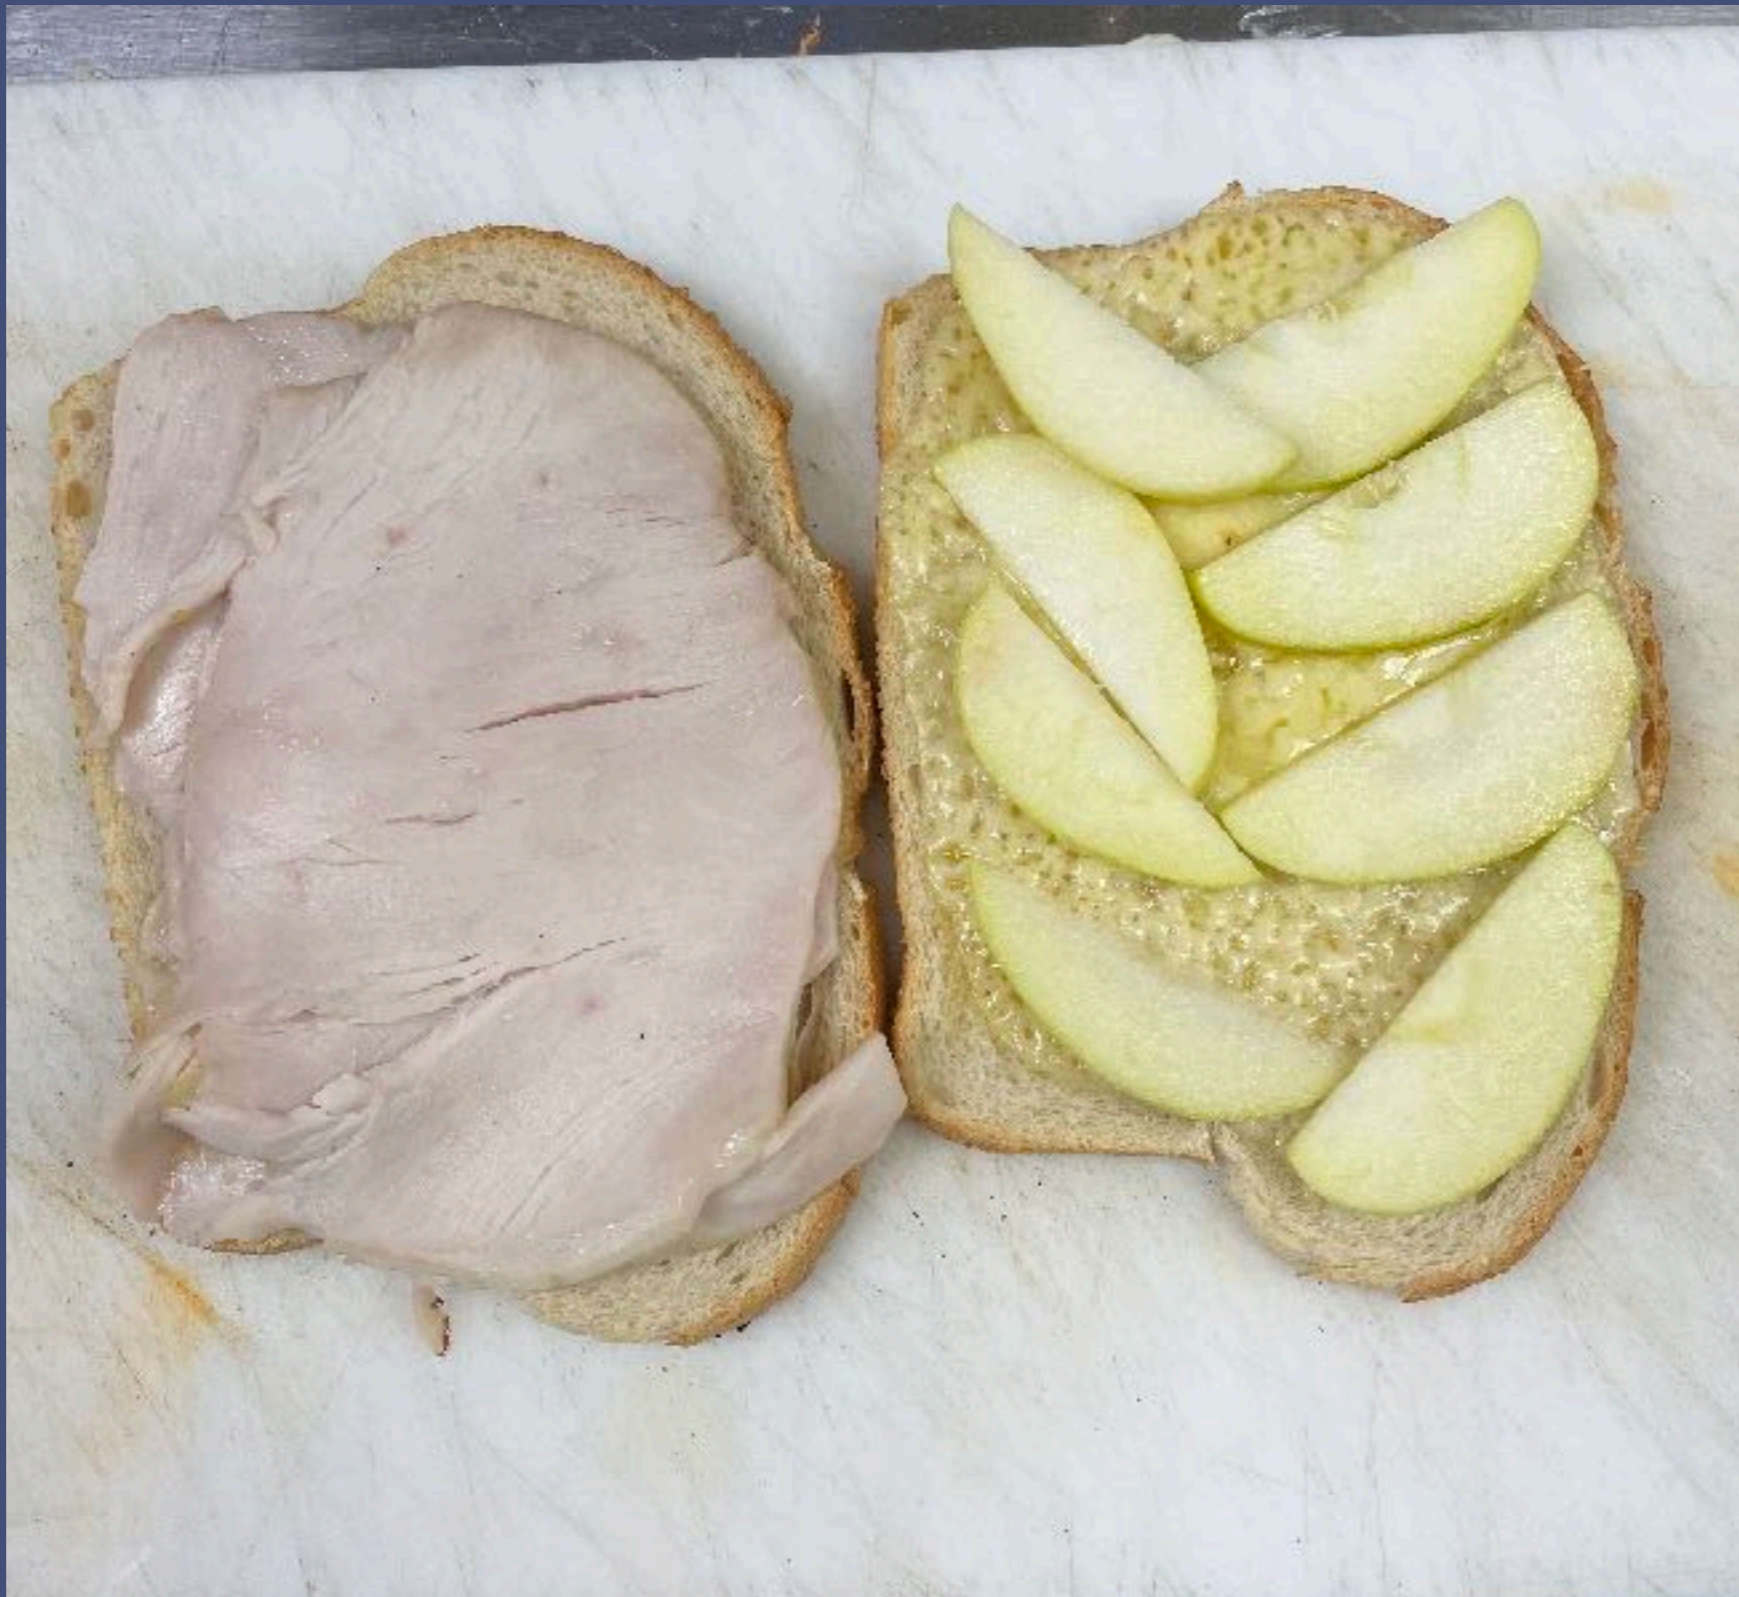

The Vermonter

Take two pieces of sourdough bread.

Place 6 oz of sliced turkey on one side, and place 1/4 cup of shredded white cheddar on the other side.

Toast in merrychef on "VERMONT". Once comes out of the oven, slice 6-8 slices of granny smith apples on top of the melted cheddar.

Place 1/4 cup of mixed greens on top of sliced turkey.

Drizzle 2 tablespoons of maple honey mustard on top of mixed greens.

This is what the finished Vermont sandwich looks like.
