LINE RECIPE

Crabcake

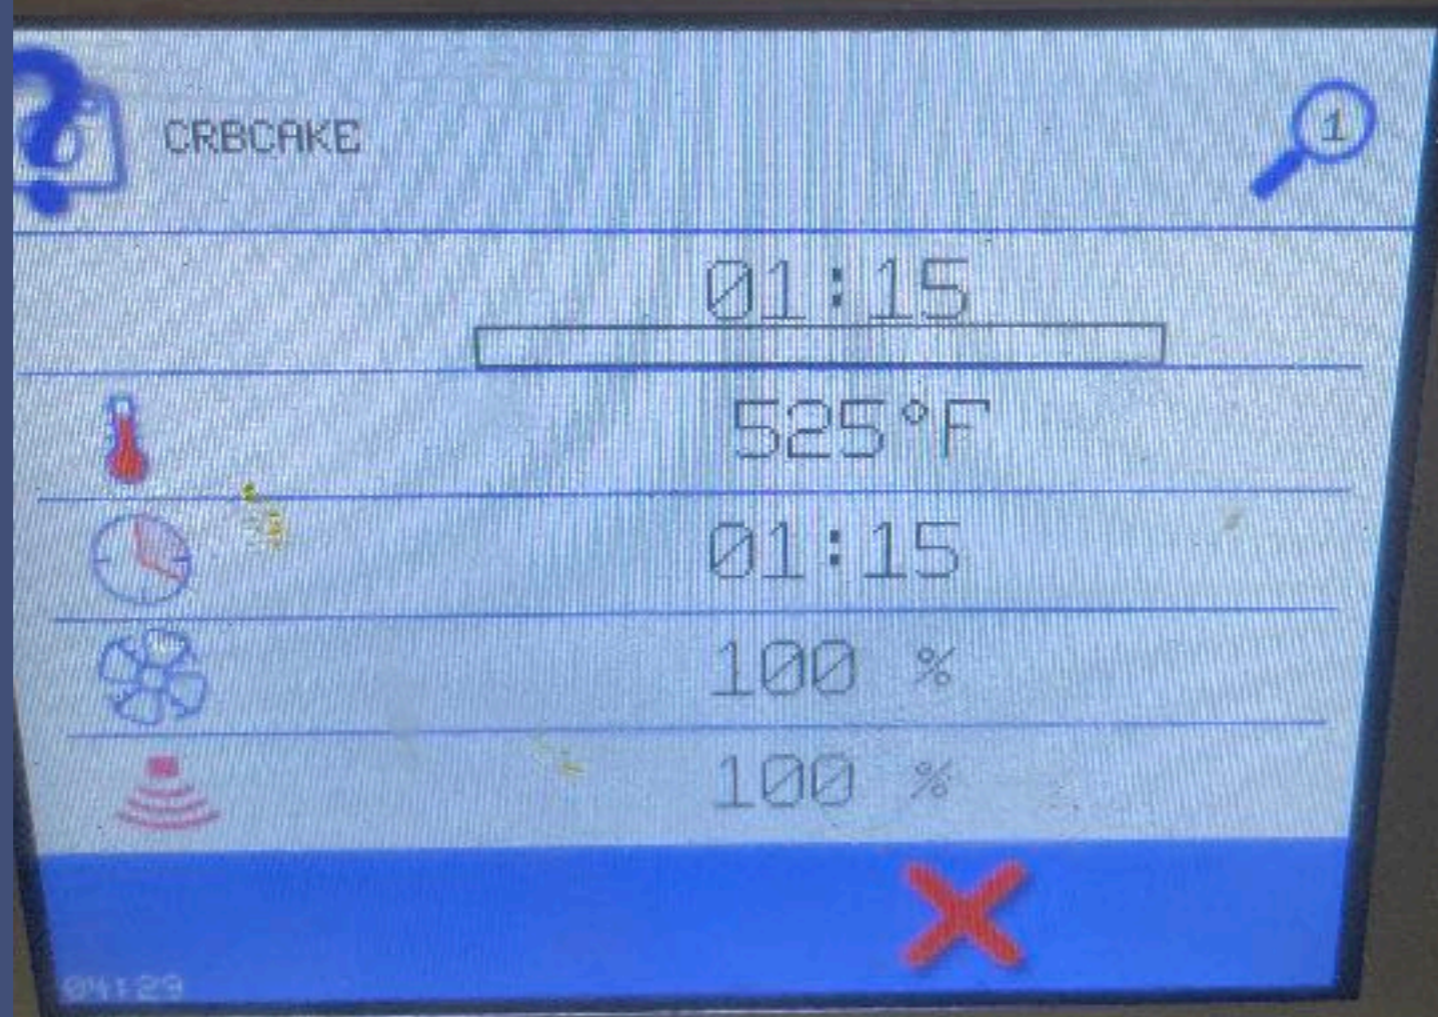

Cut potato bun to separate the top and bottom.

Toast bun on setting "TST BUN" BREAD>TST BUN

Use a #8 scoop and place crabcake mix onto a sheet tray sprayed with pan spray.

Cook crabcake on "crabcake" in MerryChef

This is what the crabcake will look like after it is cooked in the Merrychef oven.

Spread the old bay remoulade on top and bottom of toasted potato bun.

Place cooked crabcake on bottom of bun, and press slightly so the crabcake fits on the entire bottom bun.

Place sliced red onions on top of potato bun.

Place 3-4 tomatoes on top of red onion.

Place 1/4 cup of arugula on top of sliced tomatoes. Place the top of bun onto the bottom and place a toothpick in the center.
