This is what the grilled cheese will look like after the sandwich is toasted.

Place 2 pieces of bacon (torn in half to create 2 pieces) on one side of the bread.

Top other side of bread with 4-5 tomatoes depending on the size.

Stir the mornay that is held hot in the soup warmer, ensure it is thoroughly mixed. Place in a 2oz soufflé cup.

Cut grilled cheese in half at a slight angle. Serve with 2oz of mornay dipping sauce.
